

2 A There are six in Puerto Rico and one for
3 the rest of the states.

4 Q Thank you very much.

5 Is it also true that you have plans
6 to develop more qualified solid waste energy
7 facilities here in Illinois?

8 A Yes.

9 Q And how many more do you intend to --

0 A I have no idea. We're still -- we have
1 an ongoing program to enter into those contracts;
2 and whatever number finally comes out, will be the
3 number we'll have.

4 EXAMINATION

5 BY

6 JUDGE GOLDSTEIN:

7 Q Are you under any negotiation at the
8 present time for additional facilities?

9 A Yes.

0 Q How many separate pieces of negotiation
1 are you presently doing?

2 A I think there are four at the moment.

3 MR. CLENNON: Thank you, Examiner.

1 DIRECT EXAMINATION

2 BY

3 MR. CLENNON:

4 Q Is it possible that RTC will develop
5 more facilities outside the one - outside of the
6 ones that you mentioned outside of the State of
7 Illinois?

8 A It's possible, yes.

9 Q Do you have any idea of how many that
10 would be?

11 A No, I have no idea.

12 EXAMINATION

13 BY

14 JUDGE GOLDSTEIN:

15 Q Are there any separate negotiations
16 other than in the State that you mentioned
17 presently ongoing?

18 A Not that I recall, no.

19 DIRECT EXAMINATION

20 BY

21 MR. CLENNON:

22 Q Could you please give me the approximate

1 megawatt capacity for each of the 15 that are
2 currently being considered today?

3 A Yes. 0031 is 2 megawatts; 0032, 2
4 megawatts; 0033, 6 megawatts; 0034, 10 megawatts;
5 0035, 5 megawatts; 0036, 3 megawatts. 0037 is the
6 one we had a typo on the petition. It said 5, it
7 should be 3 instead of 5. 0038 is 3 megawatts;
8 0039, 10 megawatts; 0040, 3 megawatts; 0041, 4
9 megawatts; 0042, 2 megawatts; 0043, 2 megawatts;
10 0044, 5 megawatts; 0045, 5 megawatts.

11 Q Thank you.

12 Is the capacity going to be
13 installed all at once?

14 A Yes, it will be.

15 Q For each one of the facilities?

16 A Yes.

17 Q Very good.

18 What is the projected commercial
19 operation date for each one of the facilities?

20 A The 0031 is second quarter -- do you
21 want it by quarter or month?

22 Q Quarter would be fine I think.

1 A the second quarter of '98; 0032,
2 second quarter of '98; 0033 is fourth quarter of
3 '97; 0034, first quarter, '98; 0035, is second
4 quarter of -- I'm sorry, third quarter of '97;
5 0036 is fourth quarter of '97; 0037 is third
6 quarter of '97; 0038 is the first quarter, '98;
7 0039 is first quarter of '98; 0040 is second
8 quarter of '97.

9 JUDGE GOLDSTEIN: '97?

10 THE WITNESS: '97, right. Started up in
11 terms of testing.

12 BY MR. CLENNON:

13 Q You said Sangamon County?

14 A Sangamon County, yes. 0041 is third
15 quarter, '97; 0042 is second quarter of '98; 0043,
16 second quarter of '98; 0044 is fourth quarter of
17 '97; and 0045 is third quarter of '98.

18 Q Very good.

19 The one that is the Sangamon County
20 one that went on line last month?

21 A Second quarter.

22 Q Second quarter. Do you know the exact

18 date?

19 A April 18th was the first date that it
20 ran.

21 Q Okay. All of these facilities, just
22 generally speaking, have a useful life of 20
23 years, is that correct?

24 A Yes.

25 Q So that -- so their useful life would
26 end then, respectively, in 2017 or 2018 depending
27 on the year they started, is that correct also?

28 A Yes, sir, right.

29 Q Is it true that RTC intends to finance
30 all these facilities through bank notes?

31 A Yes.

32 Q And the term of those bank notes are?

33 A Ten years.

34 Q For every one of them?

35 A Yes.

36 Q The bank that -- Tim Scott?

37 Then regarding RTC's reimbursement
38 obligation under the statute, is it correct RTC
39 currently intends that the method it would use to
